ADDITIONAL FORMATION AND INTEREST

My best trait is being a person that is always analyzing problems, finding how to solve them and finish them completely. In addition, I am can easily learn, teach, plan, communicate and lead groups of different numbers, whether it be educational groups or work groups. I succeeded easily in establishing relationships in the work field.

Personally, I have the desire of constant improvement, I commit myself with responsibility in the activities I perform, do my work with joy and try to bring benefit for my community.

Charity Work:

- **Sociedad San Juan Apostol:** Volunteer work summer 2017 & summer 2016
